## SOCIAL AND PERSONAL.

Items of Interest About Topeka People and Visitors in Town.

Miss Lena Sharp's dancing party last evening at the home of Mr. and Mrs. B. Kirk, 1110 Monroe street, was a very charming affair. Many girls and boys were observed in the arrangement of the rooms, each being a picture in itself. In the upper room and lower halls, palms, ferns and potted plants were arranged in the corners and in the parlor, bows of fragrant roses adorned various places. In the second parlor a pretty effect was produced by making a flower or two of air in window, the walls of which were in mass of flowers from door to ceiling.

The delicate perfume of hyacinths filled the apartment, and the blossoms looked very dainty in pretty bowls and vases.

Miss Lena received her guests in a silk gown of a pale rose color, and wore white hydrangeas. She was assisted by her sister, Miss Sharp, in a pretty frock of pink crepe with cream roses. Card tables were arranged for those who preferred quiet games and lunches served consisted of the dining-striands.

Among the guests were Mr. and Mrs. J. P. Rogers, Mr. and Mrs. Frank Connelly, Misses Arline Nichols of St. Louis, Edna Carpenter, Fannie McCloslin, Ella Blumsey, Jessie and Mary Smith, Ada Sharp, Nellie Kirk and Alice Stevenson, Messrs. John Williamson, Anderson, Wallace Parker, McCor, Sharr, Ramsey, Chas. Ramsey, Chase and Jasper Watkins.

Mrs. Foster's Party.

Mrs. F. G. Foster gave an informal party last evening in honor of her husband's birthday. The guests enjoyed high life and whilst Miss Mildred Wheeler favored them with some piano music. The Pigeon Exhibit Goes to Gather Fresh Laurels There.

The members of the Western Pigeon club held a meeting at the poultry show exhibit room last evening and ordered their exhibit sent to the Denver poultry show, which will be held there next week.

About \$45 was raised at the meeting last night to send the birds, and it was decided to send forty-two cages, and the entire list of prizes offered will be contested for by the club.

Topeka has sixteen members in this association, and nearly all the pigeons sent to Denver will be from the Topeka exhibit at our poultry show.

The Negro Who Assaulted and Robbed Mrs. Sleightholm of \$475.

The Topeka police force is on the lookout for the negro who assaulted Mrs. Isaiyah Sleightholm in Kansas City, Kas., yesterday and robbed her of \$475. The negro is a small man, one of the boldest and most brutal known in either of the Kansas City's for a long time.

The police here have received full descriptions of the negro and the officers at Kansas City have reasons for believing he has cured many very severe cases of cataract. Cataract oftentimes leads to consumption. Take Hood's Sarsaparilla before it is too late.
